Senior News

The state is getting shorter and shorter. We're over half way through with school, thank goodness!!

Here's what we have in the way of news for this month.

Mary Jane and Mark are still together. I wonder for how long this time? I think they are going to be together for a long time to come.

Seems there was a little conflict between one of our cheerleaders and a loner. Right Sherre??

Carla slick with Rick F. He's a great guy: (Good lookin' con!!)

Donna and Daddy are doing just great!!

Pat, you better watch those steady boys. Ft. Towson might get you.

Cool Char and Cool Sam are doing beautifully!! I think you belong together (Permanently!!)

Did you enjoy your walk, Johana and Barbara?? You shouldn't park your car so far from Carolyn Sue's house!!

Barbara gave up her S. S. 396, lost a yellow mustang (although she would like to have kept the mustang), and got a '69' Firebird. It looks like she's satisfied though.

Johana, it's not your honts she's after, believe it or not, it's Joe, so you better hang on.

Barbara wishes James and Susie luck; the latter is going to need it.

Robin's birthday party was "tiny bubbles". Right Autey, Gary H., Gary R., and Handy S.??

Gem sure did miss a good chance by not going to Dallas with Karen. (Would you believe a 68 "Vette"!?) But I imagine Durant will make up for it!

Bobbie P. is still doing fine with those Texans. I think it's a different one about every week. That's the only way to go, Bobbie!!

Looks like Debbie W. is trying to start an old flame burning again.

Johanna L. sure does have a great husband. She's driving a '69 Chevy, pick-yp.

First an engagement ring then a black eye. Right Edna??

Lynnda L., looks like you've got a new steady boy. Good luck.

The dead people are going to get you Terrell!!

There are two Sr. girls waiting for their guys to come home!

Gretta W. it's only a few days and LARRY L. will be home, I hope you have better luck than I did!!

Johana B. I bet you can't wait until March. The guys coming back from Vietnam are quite different. Good Luck!

We would like to congratulate Donna Evans for being basketball queen and Mary Jane Jeffrey and Carla Foley for being the attendants. Of course; they were the prettiest ever because they're Sr. of '69.

See ya next month with more news.

Involved

What do students at Hugo High fear the most: their teacher, that hard final in Geometry, the F received on a test that might lower their grades, or a visit to Mr. Parker? The list is endless, but perhaps the one thing not on it, and what should head the list is student fearing one another.

Me, fear him or her, all of you Joe Cool's exclaimed. Impossible! Maybe so for all you self-assured minority, you who know everybody and are involved in everything, but your time is coming. Some day you'll meet someone who will teach you the meaning of respect and you will find your self-assuredness amounts to a mere hill of beans.

High school life is geared to people who speak out. The quiet ones never quite make it out of the shadows. These four years that are supposed to be the time of your life, that develop you physically and mentally, and mold you life, are for many students a time of torture, filled with apprehension and disappointment. Of course, not all the time is it this way, but many do sit home on the sidelines constantly beca-

use they are afraid--afraid to speak out for fear of being ridiculed or laughed at.

It takes a mature person to see both sides of the picture. With students, it is especially hard. Involved in their own lives, they don't stop to think.

On the other hand, it is up to them to make the first move? No! You must come together, and meet halfway. Easily said, but is it done? No, and eight times out of ten it won't be because the shy student will stay shy, and blame the outgoing ones for his or her lack of success. The outgoing ones will continue to get a head in the play, a date to the Jr. prom, or be elected to a class office. They will be looking at you without really seeing you at all. For shadows don't talk.

Speak out, don't wait for someone else to get involved. Only then can you find out what people are really like. This is the key to a good class, a good school, but, above all, to a new and better you.

PSAT Tests

In October, 1968, IHS Juniors had an opportunity to take the PSAT tests. Forty-four Juniors participated on this testing program.

Also in October and December Seniors were given ACT tests. Most colleges and universities throughout the state and nation require this test for admission. Average scores for the Seniors who took the ACT test was above the national level.

February 8, 1969, was the third testing date.

Seniors who have not taken this ACT test are reminded to register before March 24, 1969, in order to take this in April. This is your last chance during school.

The Music Department of Southeastern State College at Durant Oklahoma presented the Chorale in their 1969 tour, January 21, 1969, at Hugo High School. Mr. George F. Smith was director. Mary Ann Thompson accompanied the choir on the piano. The tour's repertoire included various kinds of music ranging from classical music such as "Deo Gratias" by Britten, "Ecce Spiritum Tuum" by Schubert

to modern songs such as "What Now, My Love?" written by Decoud (arr. King) and "Dayripper" by Lennon and McCartney.

I know that I found this program extremely interesting, and I feel everyone else who heard it thought so also. We want to thank Mr. Smith for bringing his fine choir to entertain us and wish to invite him back soon.

SENJORS: Don't forget that Civil Defense is a requirement for graduation. If you haven't already taken or enrolled in this course, do so immediately. The final class begins February 24.

How About You?

As a student what would you like to give Hugo High School. This question was asked of a few H. H. S. students and the results were as follows:

"As a student, I would like to give Hugo High," replied a Freshman, "a complete new faculty, a faculty that would love the students. I would give Hugo High a new Freshman building, one with classes on the inside, and one with bell wires on one could reach."

A Junior quickly answered, "As a student I would like to give Hugo High self-pride, a sense of belonging, loyalty, and S P I R I T to back our Buffal

"As a student of H. H. S.," reported a Senior, "I would like to give the students a lesson in compassion. That is what they need more than anything else.

A Fresh had this to say, "As a member of the student body (35-24-37) I would like to represent Hugo High with that GREAT yell."

Yea Frosh

Yea Frosh

Yea Yea Frosh Class!"

Another Junior quickly answered with, "I would like to dedicate myself to Hugo High. I would like to let everyone know that this is the best school I have ever been in. If you don't think H. H. S. is great go to some other school for awhile, you'll see. In other schools teachers are very hard and they don't care about the students. Here the teachers are not too hard and they do care about if you flunk or not. I plan to finish high school here and hope to return some day as a teacher of the greatest high school this side of the Mississippi."

What would you like to give Hugo School?

Spanish Club

Do you know what a "happening" is? Did you know that on certain special days in Mexico vendors sell bread cut in special shapes and decorated colorfully and appropriately? Did you know that the art of making paintings in bark paper is over 2,000 years old? Or that bark paper was used for magic rites in the ancient Otomi Indian ceremonies.

The Spanish Club, Los Conquistadores, found out about all of these things and more when Teresa Sanders, Chuck Beard, and Sally Gallagher presented the program at its January meeting, Tuesday, in room 102.

The members also discussed ideas for decorations for their annual fiesta in April.

On February 20, HHS Juniors and Seniors will have the opportunity to participate in College Night. They are reminded and urged to be present if they have registered for this informative meeting.

Representatives from 10 colleges and universities throughout Oklahoma and one from Texas will be here to lecture and to answer questions about their schools.

Class Favorites Speak

This year all four classes made very fine choices for their Class Favorites. All the Class Favorites were asked to comment on "How do you feel about being elected class favorite to represent your class?" They were also asked to tell a few of their main interests. The replies are as follows:

Seniors: Charla Foley, "Senior Class Favorite was one very pleasant surprise. I really appreciate it! I guess as a Senior it means a lot more than as an underclassman. You feel like this is the last go-round, and you want to make the most of it. I suppose the entire Senior year is that way.

"I enjoy sports (especially with great teams like we have!), sewing, dining, school; I guess I like a lot of things. My favorite subjects have been biology, chemistry and math. Politics and religion are two of the most interesting fields to me!"

Mark Cannon, "I really appreciate the honor. I would like to thank the Senior Class for electing me!"

"I enjoy hiking and sports most of all."

Juniors: Laurie Hobbs, "I'm very honored to have been chosen to represent our Junior Class and I hope that I will represent them as they expect me to when they elected me. And I'd like to thank everyone for electing me.

My main interest in life is to get a good education, and to be successful in my future life."

Bernard Partin, "I feel very honored to be chosen as the class favorite of the Junior Class. It gives me a great feeling to represent the fabulous Juniors. I would like to thank those who elected me and I really do appreciate it very much. And I will do everything to fulfill my part."

"In life my main interest would be being successful in most all the things I attempt to do.

Being a true American, finding happiness everywhere I go and in everything I do. Being famous is the most important thing of all in sports."

Sophomores: Lynn Harris, "I feel very honored and pleased about being elected Soph. Class Favorite. I feel that I have an obligation to my classmates and I'm doing my best to live up to it. The 'Soph Class' is the greatest, and I'm proud to be representing it."

"My main interests are tennis, music, and dancing."

Caris Payne, "Well, you don't know how much I appreciate it. Being a class favorite means more than just getting my picture in the annual. It means that I am at a point where the Sophomore Class appreciates my personality as it is. Trying to be something you are not will get you nowhere.

"My main interests are:
In sports-Football
In school-Math and English
But most of all
In life-Happiness."

Freshman: Lea Ann Massengale, "It was a real great surprise."

"My main interests are drawing, painting, travel, and meeting people."

Ricky Williamson, "It feels real good to be elected Class Favorite of the greatest class of Fresh, yet.

"I am interested in sports, girls, and outdoors."

From these replies you can plainly see that each class made great choices.

Award Winner

Miss Peggy Helton, a Senior of H. H. S., won the Betty Crocker award by scoring the highest on a Knowledge and Attitude test based on Home Economics.

Peggy received a sterling silver charm with the inscription:

"Home Maker of Tomorrow"

Betty Crocker

for the local award and because of the post mark she was not eligible for state.

King And Queen Of Hearts

In a recent school-wide election sponsored by the Broadcaster and the Student Council, Mark Cannon and Mary Jane Jeffrey were elected King and Queen of Hearts. Ronald Popchok and Marsha Phullen were runners-up.

The rules of this contest were as follows:

(1) One of the couple must be a senior. (The other may be either a Junior or a Senior.)

(2) The couple must have had at least three consecutive dates.

(3) They both must have at least a "C" average in school and a "B" average in citizenship.

Mark and Mary Jane have been dating for a year.

Mark is a letterman in football and track, Senior Class Boy Favorite, and

is in Science Club and Thespians.

Mary Jane is an attendant in both football, and basketball, a cheerleader Girls' State delegate, annual staff member, All-School Girl Favorite nominee, Senior Halloween Queen candidate, and is in Thespians, PTA, and FHA.

Ronald, president of the Student Council and All-School Boy Favorite nominee, is in the National Honor Society and Math Club.

Marsha is active in Band, Thespians and Pep Club.

Ronald and Marsha have been dating since May of last year.

Cupid certainly wasn't stupid and neither was the student body for selecting Mark and Mary Jane for this honor. Congratulations!

Homecoming Queen

Miss Donna Evans was crowned homecoming queen for the Hugo vs. Durand basketball game, January 24.

Donna was escorted and crowned by Gerry Kelly. Her attendants were Charla Foley, escorted by Audrey Phillips and Mary Jane Jeffrey, escorted by Gary Bertram.

Donna wore an empire bodice of deep brown velvet with beige lace skirt ornamented with a beige satin bow at the empire waistline. Her accessories were brown shoes and beige gloves.

Charla wore a white embroidered organza dress with gold-toned stripes of embroidery and a white ruffled trimmed bib. Her accessories were gold shoes and white gloves.

Mary Jane wore a cream beige crepe dress with an antique gold ornament. It had a tiny waisted bodice with two circular layers on the skirt. Her accessories were gold-toned shoes with cream gloves.

They were all beautiful and a great asset to the game.

We had a lycoun program February 13 at 11 A. M. entitled "Organ Facts and Fantasies." Mr. Jack Huff provided an exciting combination of edu-

cation and fun. He presented about a dozen organ works, including the famous "Toccata and Fugue in D minor."

The musical examples he gave were Baroque organ, reed organ, cathedral

organ, full theatre organ, bagpipes, piano, chimes, banjo, music box, violin, viola, cello, oboe, bassoon, accordion, and many others.
