All people interested in signing up for the auditions may do so by contacting Mrs. Fellows.

Mr. Parker Goes To Chicago

SPORT STILE by Otis Wile

The legislators may mix up education but the papers have been running so much about the bill lately there ain't much left to teach anyway.

Weather, which can be capital in the midlands during the brief month of April and sometimes the merry month of May, occasionally plays a determining role in the Big Eight basketball.

Wichita does a team manage to avoid at least one rainout in its 21-game conference schedule.

The conference teams each year are scheduled for three games with each Big Eight rival, normally a doubleheader on Fridays and a single game on Saturdays. In event of bad weather Fridays, two games are played on Saturday.

If the three game set is weathered out it is not rescheduled since there aren't enough weekends on the calendar and the idea is to keep from missing as much classwork as possible.

Mr. Simon Parker, Principal at HHS attended the North Central Meeting at Chicago. The meeting was held in the Palmer House located on Famous State Street.

The theme of the meeting was "For the continual improvements of the Educational Program." The program centered around the student. They discussed the problems of the adolescent and how they might go about helping the student.

Mr. Parker left Saturday afternoon March 15, 1969, by train and arrived in Chicago Sunday morning.

Mr. Parker's comment on the meeting was: "They had some very good speakers, very good." When asked about the weather which was standing at 24 degrees with four inches of snow, Mr. Parker answered, "That weather DOES cut you!"

All-District

Two members of the Hugo Buffs basketball team have been named to the All-district team. Those named from HHS are Gerry Kelly and Jimmy Wal-lace.

Gerry Kelly was also named an All-State alternate.

Congratulations, boys!

Rest Assured

Mr. Morlock's (Robin Ford) a fidgety, nervous, grouchy old goad who doesn't like anything but money, won't let his family do anything; always gripes about his pains and aches, feuds with everyone and he won't let his daughter, (Jane Jeffrey) 20, become engaged to Joe Lapcool (Earnest McCorkle) because Joe's papa is poor. So when Joe's papa, Luigi (Keith Simpson), comes over to plead his son's case, he's practically booted out of the house. Right here the two old fellows start a feud that puts the Hatfield-McCoy fracas to shame. They fuss and fight all over the place. Mr. Morlock, who's known as P. U. to his few friends (that stands for Phillip Ulysses), says if Mary weds up with Joe it'll be over his dead body. So round and round they go! Luigi always had a bad heart and well, the poor boy just can't take it--and he kicks out. The feud appears over. All is lost. But who up! Hold the phone! Luigi gets permission to come back and haunt Mr. Morlock and to continue haunting him until he gives permission for the wedding. Needless to say, Mr. Morlocks' frantic. All the family thinks he's lost his few remaining marbles when they see him out there talking to himself. (Luigi is visible only to Morlock, so Luigi starts haunting in a big way. He kicks Mr. Morlock out of bed, pulls the cover off him, kicks him in the seat of his nightshirt, flirts with his secretary, Miss Aker's (Margaret Rawls) and cavorts around in a fashion that would put mugginists to shame. Poor Mr. Morlock. He can't eat; can't sleep. His family thinks he's nuts. In his despair, he too, kicks the bucket. So does this and it all? Far from it, because Mr. Morlock won't leave until things are settled to his satisfaction, and Luigi

says he can't rest in peace until Mary and Joe are married. So round they go again. Right about here, Lucifer (Antony Phillips) the rounder-upper of lost souls from "Down below", drops in--pitchfork and all--to take Mr. Morlock off, he watches life in the Morlock home and go on as if nothing's happened. No one misses him. Mary prepares for her wedding; daughter Jessica, (Carla Askews) 18, prepares to start her wrestling career. Mother Morlock (Charla Foley) is actually smiling again and family doctor Brown (Dudley Barnes) right in front of the deceased Mr. Morlock now realizes what a heal he's been. If he only had another chance. If only--then Maxine (Cory Moseley) the maid awakens him. He spent the night on the sofa. It's all been a dream. He didn't die and neither did Luigi.

Science Club

Science Club met Monday afternoon, March 24. Dr. Robert Smith presented a talk on offshore operations of drilling for oil. He showed slides of setting a derrick in the Cook Inlet in Alaska.

Dr. Smith is connected with the Atlantic-Richfield Company located in Dallas. He is the structural designer for the equipment used on the North Slope site in Alaska.

The Science Club has planned a field trip to the Hugo Dam Site in the near future.

Office Jobs

On March 24, 1969, the 10 girls enrolled in Office Practice in Hugo High School began to get actual "office practice". With the cooperation of several businessmen of Hugo, these girls have been placed in offices around town. They hope to get some training and experience that will help them when they have to apply for a job.

The girls who are enrolled in this program and their work-stations are: Janice Bills, Anderson Insurance; Carolyn Cole, American Insurance; Sherre Fountain, Dr. Fountain's office; Patsy Gustin, Braudrick-King Insurance; Sheryl Key, Federal Housing Authority; Johnny Logan, County Assessor; Edna Oakes, Dr. Proca's office; Gern Percival, Oklahoma Employment office; Kathy Wheelus, County Clerk; and Debbie Williams, State Farm Insurance.

In class, these girls learn how to file, and how to use adding and transcription machines. They have had study skills in spelling and business math. They discussed how to act, dress, and meet the public while working in an office.

The girls, along with Mrs. Landroth would like to take this opportunity to thank these people who have assisted them in this phase of their training.

Visit Eastern

Nine VICA students went to Eastern State College, March 24. They were Charles Clayton, Jack Payne, Patsy Gustin, Sheri Robinson, William Smith, James Knight, Paul Lewis, Connie Slaton and Ernest Carlisle. There were approximately 45 chapters at the meeting from the Eastern District.

These students stayed from 12:30 to 8:30 p.m. and during that time, campaigned for Patsy Gustin, who ran for secretary of the Eastern District VICA Club. The students did this among other things, such as attending assemblies, hearing the campaign speeches of those who ran for offices, and attending a dance for all the VICA students representing different towns and cities in Eastern Oklahoma. In all, there were about 800 students represented at the meeting.

The students entering contests were Charles Clayton and William Smith and the field they chose was Public Speaking. They did a good job and were commended for their work.

Patsy Gustin didn't get secretary, but lost by only one vote--24-23 was the total.

All these students said that their time spent at the meeting was enjoyable and they are looking forward to the next one.

What A Trip

Several students of HHS enjoyed a week-long vacation to Mexico City recently, the last week in March. Stops were also made in Moterrey and Queretaro.

Those making the trip were Sherre Fountain, Mary Jane Jeff, Charla Foley, Robin Ford, Gary Reynolds, Jim Ellis, Chuck Beard, Lynn Harris, Ellen Harris, Cathy Campbell, and Debbie Battiest.

These students left from Durant, Friday, March 21, and returned early Saturday, March 29. Points visited included the bullfights, the Shrine of Our Lady, the Pyramids of the Sun and Moon, the national cathedral, the international airport, Mexican students at preparatory schools and the university, and the Ballet Folklorico in the Palace of Fine Arts.

Sponsors for the Hugo students was Mrs. ... at ... Kerr Junior High School in Del City.

Field Trip

The Science Department of Hugo High School took a field trip to Norman, Oklahoma, at the University of Oklahoma. Each student attended two workshops. There were workshops on Zoology, Botany, Chemistry, Microbiology, and Engineering.

We wish to thank the University of Oklahoma for inviting us to this most interesting activity. We also extend our thanks to Mr. Parker, Mr. Rodman, and Mr. Edwards.

Career Day

Career Day was held April 18 here at Hugo High. Mrs. Hill, our counselor sponsored this special event which is held every two years.

The purpose of Career Day is to give students an opportunity to come in contact with and gain information from successful people in the occupations and careers in which they are most interested--to find out the training necessary and the kinds of jobs available in these vocations.

We had two keynote speakers, one in the morning and the other in the afternoon, and both were very informative. Group meetings were held following each assembly. Each student chose a group in the morning and a different one in the afternoon, but both were related to his choice of career or vocation.

The specific goals of this day are: (1) To prepare youth to cope with continued change in the world of work; (2) to acquaint students with the major occupational fields; (3) to develop understanding of the need for continuing educational or training in the various career areas; (4) To develop a realistic attitude toward the dignity of all work and workers; (5) To develop a realistic understanding of one's self regarding decisions relative to career choice; (6) To provide information to the student regarding employment.

At the close of the afternoon session each student and the faculty members were asked to fill out an evaluation sheet, which will be used to better future Career Days.

Buffalo Trails

The 1969 edition of the Buffalo Trails annual was held April 3, 1969.

We would like to congratulate Charla Foley, the staff members, and Mr. Upchurch on the best annual yet. We know how much hard work has gone into these treasured books.

On March 15 our Buffs traveled to Idabel to take part in the Little Dixie Relays. An estimated 2000 contestants were expected to be there representing about 90 teams, however the meet was canceled because of the weather.

In the Wildcat Relays at Madill the Hugo team placed second and brought home a beautiful trophy. The Buffs broke three records:

Sprint Medley Relay 1:38.2
860 yd Relay 1:34.1
440 yd Relay 44.9

They also tied the record of the Mile Relay with 3:35.2

The Paris Relays held in Paris on March 29, also brought home a second place trophy for the Buffaloes. Hugo set two records at this meet:

440 yd. Dash 52.4
Mile Relay 3:39.0

The Hugo Buffs have made a very good showing for the first part of the season. Keep up the good work!

MISS DEB CONTESTANTS are (front row) Cora Mosely, Jimmie Tins and Shirley Harris. Back row includes Loise Butler, Brenda Scales, Linda Akins and Delores Littlejohn.

FHA Trip

The F.H.A. members went Saturday March 29, to Oklahoma City to the State Rally. There were a total of 33 girls and boys that went from Hugo and Washington High.

The theme this year was: Citizenship--FHA It's up to you. The speaker for our session was Mrs. Danisa Humphrey, who was originally from Yugoslavia. She spoke on why she was happy she was an American. Also Gordon Allen participated on a panel group on stage. This panel discussed Human Development and the Family.

Don't say it.

If you think that you are better
Than your neighbor across the way,
Or that nature has endowed you
With more perfect form of clay--
Don't say it!

If you know that you have talent
And your neighbor laughs but gloats;
Or that all his goods are mortgaged
If all the truth were only told--
Don't say it!

If you know some dreadful scandal,
Such as gossip always court,
And could add a few words to it
When they call for your support--
Don't say it!

Let your life be true and earnest--
Court discretion for your friend,
And the often you are tempted
Words to say that would offend--
Don't say it!

How do employees feel like to pay you what you're worth. Jackson, but the minimum wage law won't let me.—Randy Gaudin, San Antonio, Tex.

"My dear," said a lady addressing the other guests at a bridge party. "My intention this year is never to repeat yours. So from now on please listen carefully to just one."—Mark Rivers, New York, N.Y.
