contributed by Nancy Abraham  
February 2006

## Contributor's Notes:

Transcribed 10 Feb 2006 by Nancy Abraham from the original pencil, handwritten page.

The spellings may be incorrect, but every attempt was made to transcribe them as closely as possible.

This report apparently covers a part of the town of Soper and/or surrounding area, in Choctaw County, Oklahoma. The Original of this document has been mailed to OKCHOCTA, for inclusion in the Archives.

Possibly taken last week of January, 1941.

## **COPY OF ENUMERATION REPORT**

Including the Compulsory Attendance List

After completing the enumeration on the booklet blank form furnished by the County Superintendent, the District Clerk, or the Enumerator, should make two complete copies of the data for each name on the blank -- one copy to be a record of the office of the District Clerk, the duplicate to be given the teacher at the beginning of the school term.

From this list the teacher will keep a careful record of those of compulsory age and those absent as required by law to the School District Board and the County Superintendent.
