Obituary Scanned Books

The society members have cut out newspaper clippings from the Craig County Area since 1976 and were saved in books. A Book may contain more than death notices. Each book has been scanned and saved as a Portable Document Format (*.pdf). We are glad to say these books are for purchase now and only on a flash drive. In the index you will see the order number along with the year and the description of the book and how many pages the book contains along with the megabytes (MB). Limited to 4MB per flash drive. Each Order is \$25.
